

### TeachMeet Bingo!

Below are some words and phrases that you might hear said during TeachMeet East! Every time you hear one, cross it out on the grid below, and write the speaker/person who said it (or something similar!)

Once you have a FULL HOUSE should BINGO as loud as you can (but you may want to wait until the presenter has finished!) – the first person to shout BINGO and have a full sheet will win a special prize!

Happy Bingoing!
